Office: 50 Pippy Place, Unit 19, St. John's  
[admin@aecenl.ca](mailto:admin@aecenl.ca)  
[www.aecenl.ca](http://www.aecenl.ca)

## SECTION A WEBINAR INFORMATION

- Registration form must be completed in full.
- Be sure to complete all parts of the form especially your email address as we will send your information to do the workshops by email.
- If you have been certified and hold a certificate number and it has lapsed (expired) you are still considered to be certified.
- **WEBINARS can only be completed once**, be sure to keep a listing of completed workshops. **Once the registration form is received, a confirmation email will be sent. Remember to check your email frequently (including your junk mail folder)!**
- **The ECL Webinar Workshop Series**  
There are four webinars in each series. The complete webinar series is free and will be offered six times over the span of twelve weeks. The webinar series will be broken into six cohorts, you are to choose the webinar series cohort that best suits your schedule (list of cohorts and dates are on the next page). To participate in the webinar series you will need to register by completing the ECL Framework Orientation Webinar Series registration form and submit the completed form to the AECENL office. If for some reason you are unable to complete the full webinar series within your cohort the webinars have been developed in a way that you can join another cohort if need be or complete the missed webinar(s) through our online workshop series. Once registered you will receive e-mail confirmation as well as an electronic copy of the ECL Framework. It is important to read the ECL Framework prior to participating in the webinars. The webinars are completed over a four week period with a week in between each webinar. During the week in between the webinars you and the other people in your cohort will receive group e-mails that will include handouts and other material that supports the webinar that you had completed that week. The weekly group e-mails will also include questions to help you think reflectively about how the framework goal that is being focused on is being implemented in your child care setting. During the four week series you will have the same facilitator for each webinar and they are available by e-mail to answer any questions that you may have about a particular framework goal or general questions regarding the framework. AECENL also has a private Facebook page dedicated to the ECL Framework where participants from all the cohorts can share their successes and ideas.

**The ECL Framework will be delivered as four free workshops with each workshop based on one of the framework's four main goals for early childhood learning. The four goals are:**

**Goal One – Wellbeing and Belonging**

**Goal Two – Communication**

**Goal Three – Play and Exploration**

**Goal Four – Social Responsibility**
