PROFESSIONAL LEARNING REFLECTION FORM

WHAT IS AECENL'S MEMBERS PODCAST REFLECTION FORM?

A reflection form is a helpful tool designed to guide you in thinking deeply about a specific experience, activity, or learning session. It includes a series of questions or prompts that encourage you to reflect on your actions, thoughts, and feelings related to the experience.

Using a reflection form for professional learning is especially valuable. It allows you to systematically evaluate your professional learning experiences, effectively apply new knowledge, and continuously enhance your teaching practices. This, in turn, helps you better support the learning and development of the young children in your care.

HOW DO I USE THIS REFLECTION FORM TO GAIN PL HOURS?

Step 1: In your own time, listen to the entirety of the podcast.

Step 2: Reflect on the material and answer the questions included in this form. Responses must be in paragraph form and more than 2-3 sentences long.

Step 3: Save it as a .pdf on your computer.

Step 4 : Submit to registrar@aecenl.ca for verification.

If the reflective questions are not answered suitably and in full, are illegible, or not in paragraph form, the Registrar may send the form back for re-submission.
