

AECENL's Sample Training and Professional Learning Needs Survey

Your early learning and child care program is planning a PL close-out day!

We are all in a unique place on our early learning journey as educators. Your reflective feedback can help your employer plan learning opportunities that allow everyone in your program to thrive.

Please take a few moments to complete this survey and share your learning journey goals. Once completed, please submit to your program director or administrator.

Name _____ Date _____

I am interested in the following early learning topics:

1

2

3

I feel confident about my work in these areas:

I could use support in these areas:

AECENL's Sample Training and Professional Learning Needs Survey

I prefer the following delivery methods (select all that apply):

- ☐ In-person workshops ☐ Online workshops ☐ A mix of in-person and online workshops

I learn best through (select all that apply):

- ☐ Visual Learning – I prefer lots of pictures and visuals
☐ Auditory learning – I can easily listen and learn
☐ Hands-on learning – I need practice to learn
☐ Sharing and talking within communities of practice – it helps me to discuss what I've learned and to share my ideas with others.

I would like to share the following about my learning style or preferences:

If lunch and/or refreshments are provided, I have the following dietary restrictions:

I would like you to be aware of the following accessibility needs/requirements:
